

Mayor George Flaggs Near-site Vigilant Clinic Experience

Thanks to Vigilant Health, we are taking the same amount of money previously used to pay rising insurance premiums and applying it to manage our healthcare spend by providing our city employees access to quality healthcare. We have grown out of two buildings, reduced cost, and increased access to affordable healthcare in Vicksburg, MS.

MCHA Partnership
Switch from Commercial Insurance to Ambetter

Through our partnership with MCHA, the town of Prentiss went from spending \$159,000 to \$31,000 a year, showing cost savings of \$127,000 per year. Providing affordable insurance to our employees is great for employee retention, enabling the town of Prentiss to keep our people happy and healthy while freeing up money for the town to spend on roads and other much-needed community improvements.

MCHA Partnership
No insurance to Ambetter plan

Providing affordable insurance to our employees has been a Godsend to our town. This is a game changer for small communities like New Hebron because we can now help them access a medical system that can help manage chronic conditions. This is a huge benefit for our community.
